Hello Diane,

That's great we have a choice on Mr. Benevento's time for a site visit to Columbia Falls. I was wondering if there is a possibility of tying the Libby site into that visit as well or does he like separate visits? In most cases traveling to Libby will take you through Kalispell. Columbia Falls is about ½ hour from the airport and Libby is approximately 2 hours. If he tied both events we could schedule that over a 2 or 3 day period depending on his interests. If tying both sites together would work the week of May 14th, with Columbia Falls being on the 17th and working Libby in earlier that week. If not what would the chances of having Mr. Benevento come to Libby the 17th and have him visit Columbia Falls on the 10th?

Feel free to call if you have any thoughts on this.

Thanks,
Mike

Apologies to all,

I misunderstood. I thought Robert was just asking me to hold the dates on the Regional Administrator's calendar since a final date had not been selected. I held both May 10 and 17, as well as the days before and after, for his travel and was just waiting for final word on which date was chosen.

Please let me know which date is confirmed. You have your choice.

Thank you.

Hi Mary,

I haven't received any indication on a specific date for a visit from our Region 8 Administrator to Columbia Falls MT to visit the CFAC site and meet with the community.

I am including Diane Moon who is our Region 8 Administrator's secretary. Diane will be able to confirm the RA's schedule. I've included your recommendations again for easy reference.

- 2 potential dates: Thursday - May 10 or 17 @ 5:30 @ CFAC site
- 30 minutes - 1 hour @ CFAC Conference room: Welcome and introductions; CLP meeting; overview of project
- 1.5 hour: CFAC site tour & Q&A; Up to 30 people (not including agency and CFAC entourages); School buses 2 – 3
- 30 minutes +: wrap up and next steps; informal small group/interpersonal interaction, media ops

Thanks Mary!
